Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have obtained a degree in Bcom Accounting from the University of Kwa- Zulu Natal, Westville Campus. My studies have equipped me with the skills necessary to conduct tasks that include management, ethics and information technology, among others. My studies have prepared me for the world of commerce and I would be very interested in pursuing a career in finance or taxes.

I am a highly focused, dedicated, motivated and result-driven individual with keenly developed skills. I am experienced and skilled in the accounting field. My studies and recent work experience has enabled me to be seen as a valuable team player and as an efficient hands-on individual within any project. I am equipped with a comprehensive knowledge of the finance industry and have developed good client communication skills and relationship management. I also possess the ability to encourage team commitment, effective service delivery and optimum results in the working environment.

I am driven to add value to any industry or environment I work within. I am keen on service delivery improvement and I adhere strongly to the corporate governance principles.

I am extremely well groomed and have a comfortable presence. I have a passion for the Finance industry and I look forward to developing my skills, knowledge and expertise within the various sectors of finance.
