What job i'm looking for? My positive points

Hi. I'm looking for something in warehouse or store management, similarly something in that field. I have strong leadership qualities and have a high work ethic. I believe strongly in being punctual and staying till the job is done. I do not drink and have good values. I'm in very good health and keep myself in good shape. I'm currently employed but living apart from my loved ones as they are settled in Port Elizabeth. I'm looking to relocate at the end of 2017.
