

Michael Mkhwanazi

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a candidate with a National diploma in electrical engineering and have an experience of two and half years with the mentioned companies on my CV. I have learnt a great deal in the department of Electrical Engineering; that's including excellent analytical and problem solving skills, advanced numerical skills, strong communication and interpersonal skills.

I am a very enthusiastic and self-motivated worker who strives to achieve the very best. I am organized and thoroughly in my work and I am now seeking for a new challenge to keep me on my toes and also keep my skills up to date. I am a hardworking individual with excellent oral; I don't give up easy, written communication skills and personality. I am also a team player, I can adapt to any changes in the working environment and I am more than comfortable in relocation. I use public transport and I respect time schedule.
