Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am very skilled in math, posses excellent reasoning skills , give 100% attention to detail. i have extensive experiance in the role of executive assistant and administrative assistant as detaled in my resume attached . i am looking for a position such as the one listed here because it involves assisting and transporting , which trully is my forte. out of all position i have heald over the years , my role as debreafig and scanning to the logistic and loading master operations at imperial was truly my favourite and I had this role for a period of four years i only moved on from the position because I was offerd a promotion to work within the office as an office admin scanning ,alocating roots for drivers i realy would love working in transport industry again
