What job i'm looking for? My positive points

I am interested in a legal secretary career. I am extremely positive regarding whatever life may throw at me, i am driven,hardworking and a peoples person. I take my work rather serious and always give me best at every task i am given.I have a bubbly personality and i am a team player but work better individual. I always go the extra mile to make sure my work or the task at hand is delivered to the best of my ability, i do work over time if need be. When given a task i do it as prompt and fast as humanly positive as i do not want my work load to stand over onto the next day.
