Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a person who is not scared of challenges in life. I am a person who is eager to learn because it empowers my knowledge. I want to grow professionally and explore and not be stagnant in nursing career and be a bed side nurse for ever but I want to grow in the medical field as a whole. I am assertive, goal directed, friendly and jolly. Working for Middelburg Hospital has taught me a lot of things in nursing career because we work and rotate all the wards every 3 months, so I have gained a lot of experience. My job experience includes HIV testing and counselling, promoting Prevention of mother to child transmission (PMTCT). I am computer literacy.
