Curriculum Vitae (CV)

What job i'm looking for? My positive points

I studied national higher certificate in accountancy at TUT but due to job scarcity i started learning GRAPHIC DESIGN on my p.c and i became good with it and started marking money out of it by designing business cards, wedding cards, posters and photo editing for people and businesses. Having a job where i work with a computer will be positive for the workplace since i have more knowledge/experience and passion for computer
