Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a teaching job either in Basic Education or Higher Education . i am a science educator with a Master Degree in Science Education. I inculcate science thinking skills in the learners. This gives the learners to create the spirit as independent thinkers and problem solvers in life and especially in science. I am interested in learning science practically and outside the classroom. I am not only a science teacher but also a science educator with 28 years of teaching in Cameroon, Nigeria and South Africa.
