What job i'm looking for? My positive points

Hello, my name is Casey, I am 18 years of age. I am looking for any job where I can care for children since it has been my dream since I was 15. I would love to earn experience caring for children and getting on a cruise liner ship to do that is my best option. I just finished my schooling career and am currently working as a cashier with a salary of R4000 pm which will not get me anywhere anytime soon, so this will put me on the right path to start my dream career. I don't have much experience caring for children other than family but I am willing to do volunteer work at an Educare and go for au pair training courses which also offers first aid training.

I am an honest, trustworthy employee. I work hard and make sure that I finish the job I started with. I have an enthusiastic and free spirited personality and am a people person. If i get this job I will take it with no doubts.
