What job i'm looking for? My positive points

I am looking for a teaching post. I will be completing my Education degree in intermediate studies in 2018.

I am capable in administrative tasks, and feel that my skills in the teaching industry will be well received. I am a diligent and meticulous person that takes care and pride in the workplace. I love people and feel i draw my strength from those around me. I currently hold a 2 year diploma in Beauty Therapy as I love assisting individuals and educating them about their well-being. If I had to highlight some positives and negatives of my character, I listen attentively and often judge to little. I always strive for the impossible and make it possible , and live my life from these words "amidst the mountains climbed in life, there are always beautiful streams and valleys that make up for dangerous terrain."

I look forward to hearing from you soon and thank you for the opportunity to tender my application.

Many Thanks
