Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a graduate in extraction metallurgy at university of Johannesburg,so am looking for a job in metallurgical stream. I am energetic,hardworker, flexible to do shift work and given an opportunity can add value to any company as I believe in my abilities and strengths which includes completing tasks well ahead of schedule. I was involved in metallurgical laboratory at SGS for 2 years working in mini pilot plant project so I believe I have gained an important experience which can be valuable to any company.
