Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a young black female turning 22 years of age in May, matriculated in 2014. I have completed a course which is called journalism at Falcon Business Institute, I also have skills certificate in Radio journalism that I have completed it at College SA soon after I had financial difficulties with Birnam Business College. I live in Soweto Diepkloof Zone 5 and I will be a good asset to your company because I have what it takes for this position, I am a hardworking, goal driven, energetic person also who has a bubbly personality, if I will be a chosen candidate I will take the company to the next level because I have potential to do so with my creativity, also it will help me to further my studies since my parents can't afford tertiary fees. My vision for the future is to assist in company policy and manufacturing activities by giving my full co-operation what management and leaders requires from me as an individual for the specific task on service employed for, and to learn and complete any task to the best of my ability while insuring the standards are met according to the requirements.
