

James Kiwelu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for an IT job or any other relevant job.

I am self-motivated, have the ability to work with others and self-discipline. I am self oriented and when I set up to do my task, I always do it to my best way. I believe the knowledge and skills that I have acquired over the last three years of my undergraduate education, backed with six years of working experience in my previous employment, will help me secure a job in your organization.

Preferred occupation Network administrators
IT, computing jobs
