

David Moodley

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am hard working, practical and able to work under pressure with speed and accuracy. I worked at Mining Pressure System with my Dad from the age of thirteen, during school holidays. I understand concepts and operate structures with great ease. I am passionate about Boiler Making and take great pride in it. I interact well with people and can communicate effectively in a broad sphere. I am reliable and of sober habits. My real strength is found with Deadlines on jobs. I'm able to work a 28 Hour shift if needed.
