As Office Generalist, I have been working at STP Holdings over the past 6 years overseeing the following responsibilities ; I have fulfilled the administration functionality ensuring filing is up to date, the overall Receptionist role where all calls are routed through to my desk where I take messages, understand reason for calls and route to my manager accordingly. I monitor my email with and respond/communicate with our clients via email. I am responsible for preparing invoices on a monthly basis to our clients. I oversee payments and ensure that payments are made accurately and on time. I am also heavily involved in preparation and submission of quotations. I am proud to say I have learnt in abundance from STP Holdings where I am most often self-taught and work under limited supervision. Over my years, working with the CEO of the company has made me the strong, confident, loyal, hardworking and meticulous individual that I am and given me the ability to work under tremendous amounts of pressure and tight deadlines. Most often than not, I manage the business when my employer is out of the country and on business trips. I look after the business and make sure everything runs smoothly from an administrative perspective and overall ensuring nothing falls through the cracks.
