

Chuma Matheza

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have worked at Inkosi Albert Luthuli Central Hospital in the department of Supply Chain Management Unit as a Supply Officer. The department of health is in the motion to introduce a SCM Unit for institution so that they will be able to manage funds of government supporting efficient and sustainable public financial management is fundamental to the promotion of economic development and rising standard of living for all South Africans. Duties e.g. Bids and procurement, Technical services, Logistic Management. I have obtained N6 certificate in Public Management which lead myself to pursue a career as a Supply Officer in the previses work station as i was doing in-services training for 18 months. In addition to the qualification and abilities outline above i have kept my skills for computer up to date (including Ms exel,power point, access and SAP system) and i have good communication skills able to negotiate with corporate clients. Enjoy making new contacts which they will bring a change and establishing relationship with a wide range of people.
