Curriculum Vitae (CV)

What job i'm looking for? My positive points

My biggest aim in my job and even my career is to make difference.

I want to be always proud of what I have done, my ambition is to become partner with the team . I know the hard work involved in achieving this goal but that's not going to stop me from working hard, learning everything I can, and contributing to a company where I will become a valuable assets .I am going to work towards this goal through my career Basically my goals will be like
Increase professional knowledge and training

Improve low-functioning work processes or relationships.

Have new experiences.

Attain a leadership role and i want a forward-moving company with solid performance and future projections. As part of a team, I want to add value and continue to grow the company I believe my experience

and qualification will make me a valuable. I have a desire to move from your current position to something else, preferably up the professional ladder. To succeed,i must make things happen instead of waiting for them to happen. Learning how to set outcome and performance goals will help me to achieve my long-term career ambitions and i want become part of a management team. Being part of a management team is a big step up,i developed wide range of skills that would meet and exceed the expectations for the role facilitator for Canton Company. I have had many achievements including teaching I would relish the opportunity to bring this level of success to your company.

I am able and capable of learning quickly I will also contribute in making the company more successful. I have acquired knowledge about this job through training attended and that has been well indicated on my curriculum vitae. I've also done my trade test at "in touch community development and projects managers". i have done my training facilitator at Ndzalama training .i have worked in so many projects.just that in life i didn't get a chance to work for several years in workplace.
