

Kwena Maribana

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Name is Kwena Thomas Maribana and I am 26 years old,I completed my N4,N5 in electrical engineering at Jeppe college and electrical phase 1&2 at Artisan Training Institute in electrical engineering.I would love to join your company as I believe that my skills and experience ,paired with my knowledge of my theory will match the requirements necessary to do training in your company.I confidently say my organisation and communication skills are exquisite.I hope to put this knowledge in use in the field of electrical engineering.

As part of my personal objectives,I pride myself of being great enthusiasm and dedicated.I am hard worker,self- motivated and willing to learn more about the industry.I have demonstrated this through my hard working and commitment to my studies.My maturity ,passionate and eagerness to enter the industry would complement my outdoor experience in order to acquire the background necessary for my future.

This apprenticeship work would provide me with the opportunity to expand my skills and will be tremendous asset for your company.I am keen to undertake any training that you feel necessary for me to undertake the role and would be delight to come to your offices to discuss my suitability

Attached is my cv and academic record

Yours sincerely

Thomas Maribana
