Curriculum Vitae (CV)

What job i'm looking for? My positive points

"I'd describe myself as being very resourceful and ambitious at the same time. I find solutions, get creative and solve problems without needing the help of coworkers or managers. I know when to ask for help and I don't stay quiet if I do need assistance. But when it is possible to handle something without occupying the time of others, I do it and I consider myself very good at it. It's one of the things my last boss would say they liked most about me if you asked them to describe my style of work."
