Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for something that will drive me into creativity, that allows one to explore methods and ways to uplift others into to doing an exceptional work and also drives people motivated into doing work even under pressure. I'm a person who likes to try new things more to be given a room to suggest ways of getting the work done properly and peacefully. I'm also a good listener thank you.
