Dear Hiring Mananger,

This letter I express my interests in Flight Attendant position,based on the qualification I obtained as a flight attendant,I may not have any experience but truly believe that I am the best candiate for this position as I am a hard worker,confident,a team player and strive to get the best results,which helps me grow as an individual and learn from others.The intense yet amazing training I've qualified for has also helped me in this present time.

I also have previous work experience,I've worked for a Lodge,called Airport Game Lodge as a Bartender,Waitress and Assistant cook,it taught me how to muntitask, handle working under presssure and to keep maintaining and providing best services to our clients. I am currently voluteering at a community day care centre which I love doing as it helped me learn how to be patient with people and understand their needs,I've also grown to communicate better with children and give more dedicated attention to them.
