Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job in the logistics industry because I'm actually studying logistics.

I am a 2nd year logistics student, I'm not experienced in any logistical field hence I wanna start working at companies so I can learn more and get experience at the same time. I am a very enthusiastic person. I like helping out where i can and most importantly I need this job.
