What job i'm looking for? My positive points

Good day

I am looking for any data capturing job, that I can do from home online.

I have a lot of admin experience. Worked as a Personal Assistant and a Secretary in different businesses.

I am also a fast learner, should there be something that I don't know.

Trust you will give me the opportunity to prove myself.

Should you require any additional information, please email me on biancabotha99@gmail.com.

Kind Regards

Bianca
