Curriculum Vitae (CV)

What job i'm looking for? My positive points

Looking for part-time or afternoon job.

i am hard working, positive,motivated, activity and i do not have any bad vices.

i use to teach children how to ride horses and i hosted/worked on pony camps where we dealt with 15 to 25 kiddies for a week to give some parents a break and its very fun for the kids where they learn new things while having a blasted. these days i find kids in the house too much and being outdoors help so much with a child's development physically and mentally. when children are happy it means that they will achieve their dreams with no problem!

children are the future and would love to be a part of helping the brilliant parents that are raising them.
