Curriculum Vitae (CV)

What job i'm looking for? My positive points

I would like myself to work as a Restaurant supervisor in the future. Im going to learn and gain practical experience until then, but eventually, I want to handle more responsibilities as a Supervisor in the future ... I know there are a lot of things to learn, but I'm going to be working hard for the several years until I won't get accomplishment. I believe opportunities come to hard workers and I'm going to try to be one of them. Since I get the chance to explore more opportunities I'm gonna stay for long unless I won't be able to embrace my career goal..
