Curriculum Vitae (CV)

What job i'm looking for? My positive points

Electrician, i am a smart working individual, with safety as number one priority, i always lead by taking the first step to show my ability to do a job/task safely to my Subordinates and always coach them to practice

and follow safety standard and procedure, to go back home unharmed, i always edge people to go to school and study courses inline with their jobs so they can too become artisans, as they are best at what they do, as per my planned task observation on them
