What job i'm looking for? My positive points

Hi,

I have had a long successful career in the banking and transport industry and have resigned to stay at home with my 3 kids. I am not looking for a large salary, just enough to run my medical aid for the kids and school fees. I am looking for a position as a stay at home mum. I have unlimited internet access and a computer at my disposal and am extremely quick at typing and accurate.

Warm Regards,

Akashni Latchanna
