Curriculum Vitae (CV)

What job i'm looking for? My positive points

As a highly skilled graphic designer , I read your posting for a new graphic designer with interest. my experience is high but not from getting employed but from teaching my self from home in which you should be seeking at modern media ,in particular my role as graphic designer with humbolt advertising agency ,and Im certain I would make a valuable addition to your organization ,including my first rate multi tasking and communication abilities , I excel at :

- Designing layout , producing images,and developing style for websites ,social media profiles , and corporate communications.
- contributing creative ideas during corporate brainstorming sessions
- prioritizing work loads and coordinating multiple ongoing projects
- implementing SEO and SEM tactics get measurable results

In additional to my personal qualities , I have a solid educational foundation and a passion for designing . I am extremely enthusiastic about modern medias focus on social media profiles and would like to welcome the opportunity to contribute to you and your client ongoing business success

Please review my attached resume for additional details regarding my expertise and i will follow up to request an appointment to discuss how my experience or background meets your needs ,Thank you for your time and consideration.
