

Shaun Paul Rother

Curriculum Vitae (CV)

What job i'm looking for? My positive points

sound with the opportunity of permanent employment. I am willing to forward my CV and supporting documents (driver licence), with the hope that should you have a possibility for me. Thank you for your time and consideration. I look forward to hearing from you and hopefully speaking with you about a possible employment opportunity. I can be contacted on my cell: 073 6390 123.

Yours sincerely,

Preferred occupation Car drivers
I am motivated, passionate about doing that which has been allocated to me to the best of my ability and am willing to learn. I have an enquiring mind in trying to solve troubleshooting issues.
Preferred work location Cape Town
You will see that I have filled many positions, and I am willing to take on any "work" offer to ensure I earn my daily keep. The last position was that of an installer at a aircon company and prior to that

Contacts and general information about me

Day of birth 1985-05-11 (39 years old)
After being an assistant to an electrician with the company ERE in Paarden Eiland, they closed their doors end of April 2017. So what did I do there? We did the wiring of smoke extractors, trunking, Gender Male
Residential location Cape Town
airflow switches, damper motors and DB Boards of Tygervalley centre. That is just some of my electrical skills. By now you have noticed, that I'm the "get your hands dirty" type. I am able to manage and understand the operations, necessities and placing of many situations and circumstances. I'm not a qualified, or have a red seal as an electrician. I might take longer to take a book and study than most others out there, but show or tell me I will remember that, even if I may say quicker than some others.

Additional information

Salary you wish R10 000 R per month

How much do you earn now R7 500 R per month

Have attended a grade school. Van Kerckvoorde in George, and finished with a Grade 10 on 6 December 2002. After school I have completed varies courses like:

- Marine and industrial firefighting;
- Fire fighting level 1;
- First aid level 1, 2 and 3;
- Advance driving skills; and
- Housekeeping

My computer literacy is basic, as it was all self-taught, but I am eager to learn. I have the drive and passion for the wanting to do better for myself. I completed a Defensive driving and skid control, collision avoidance and Advance Driving course at Killarney training centre (Lapsed Certificate 31 July 2014). I am aware that all my certificates have lapsed, but am willing to renew them as soon as I become more financially stable to do so. I have a Code 10, with Prdp (goods and passengers).

Due to my Grade 10 certificate, I have only been able to obtain casual or temporary positions. I so much would like permanent employment to better my future. I would like to become financially
