

Mvulane Sikhumbuzo Mhlanga

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a metallurgical engineering graduate for the University of Johannesburg. I furthermore have approximately three years working experience as a laboratory assistant at Auto Industrial Isando Foundry where I retired in October 2018. The career opportunities I am looking for should mainly be in my field or similar to my field of study as to increase my experience within the metallurgical field. In addition, also job opportunities that will increase my soft skills within the working environment. I believe I am a hardworking, motivated individual, a team player, a person who respects her work and employees working there. I am willing to learn new skills related or non-related to my work as it will assist in making decisions on a certain job in the future.
