What job i'm looking for? My positive points

Currently, I'm still on the journey to uplifting myself. I'm still a student and I feel like, being as old as I am now, it's only fair that I start paying some of my other bills. It might not be all of them, but I really think it'll be better if I decrease the load on my parents' shoulders. I'm self-motivated, I can talk to people, attentive and I'm good with computers.
