Curriculum Vitae (CV)

What job i'm looking for? My positive points

Pharmaceutical Warehouse manager preferably for a wholesaler or supplier. Strong interpersonal relations and master communicator. My peers and Management describe me as leader's leader and motivator with excellent results from staff as well as senior management. I offer organizations a proven track record for various warehousing layouts and setups across South Africa and achieve targets and goals for shareholder value.

Furthermore, an expert manager controlling all operational disciplines. Proven track record and 'hands on' experience ranging over the last 17 years. The highlight of my career is achieving senior management success over the last 9 years with a key focus on responsibility and accountability metrics that I set for myself as a self-motivated employee. In addition, I have extensive change management knowledge and tenor and have lead teams during a variety of challenging growth bursts in expanding companies.

My Experience includes, but not limited to, location changes / system integrations to achieve expansion plans. I own projects entrusted to me to ensure minimal business disruptions with a focus on strategic planning, streamlining processes, staff dedication, staff management and guidance using strong interpersonal relations and communication.
