Curriculum Vitae (CV)

What job i'm looking for? My positive points

I've worked in restaurants before thereafter studied for Management Assistant..I've finished my studies as a Management Assistant. I didn't got a chance to do my practical but I'm hoping that you will make a change in a young lady's life. Working in a restaurant thought me how to be a quick problem solver, how to work under pressure and better my communication skills. I currently work for retail. Here I've learned a few good things that can benefit any company. On this moment I'm looking for any job one can offer. I believe knowledge is the most powerful weapon in a company. My moto is" you are never to old and clever to learn something from somebody." Everyday is a learning day.
