

Nosimiso Pamela Mcoyana

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Miner, trainee shift boss. Able to work with people, reaching targets and good communication skills.

With great willingness, I am applying for the position which was advertised on the company's website. I believe that my education, skills-set and experience make me a suitable candidate for this vacancy.

I am highly organized and self-driven individual, passionate about developing my career in the field of Mining Engineering. My commitment can be gauged from the fact that I am an accredited holder of National Diploma in Mining Engineering from University of Johannesburg.

Passion over two-year experience of mining practical where I am accountable of leading a team of people and carrying a knowledge of daily mining cycle. During my career I have gained understanding and complex information in the mining world.

I am currently doing a Graduate program internship with AngloGold Ashanti (Mponeng shaft) which I am now done with the program and I have went to the DMR board to obtain my Blasting certificate on the December 07, 2018. I have passed the board and still waiting for the proof of passing blasting. Over the past year of being with the company and I have acquired more skills of leadership, decision making, time management and good performance goals. Proactive, innovative, highly influential, I am seeking a challenging but rewarding position, which is why I was naturally drawn t this exciting opportunity.
