Curriculum Vitae (CV)

What job i'm looking for? My positive points

• I hereby would like to state why I think I will be a good candidate:

• My name is Leighan Brentley Adams and I am currently 21 years old and will be turning 22 in December this year.

• I have been in the job market for the last two years and therefor have an idea of how tough it can be and upon applying for Jobs I realised that there is a lot of jobs available but without the proper training it is very difficult. I firmly believe that with hard work and dedication you can achieve anything. I always loved driving and in 2016 I obtained my Code 8 drivers licence with my first driving test.

• I am a passionate and hard working person and I love to work with my hands. I know I have the drive to do anything that I put my mind to and in getting all the necessary skills to enhance my life.

• I am focused and believe in doing things right the first time. I am sure that if I am taken for a position I will do it to the best of my ability and with excellence. Being a young adult I know that through proper training you can become a very skilled worker.

- I hope that my application will have favourable consideration.
- Thankfully yours
- MR L B ADAMS
