Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a graduate with a three year Information Technology diploma and currently pursuing comptia certification. I have a year Internship experience. During my internship I was fortunate enough to work with employees on a number of technical issues on mobile devices, telecommunications equipment and audio equipment. I acquired decent troubleshooting skills working with software and hardware. Have a firm grasp on installations of a number of softwares.

Look forward to hearing more from you.
