What job i'm looking for? My positive points

The best job that I am interested in is being a beautician because I love doing make overs and love my make up. The most positive points I have is by encouraging people , making them think and feel beautiful about themselves and giving them a positive aspect about make up and what wonders it can do. The reason I think why you should hire me is because I want to use my skills in your industry and to put in my effort by building the company to be a better and great environment to work in.
