

Samantha Van Rensburg

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I hereby wish to apply for the position advertised

My ambition is to become part of a dynamic team and contribute to the best and fullest of my ability with respect to the future endeavours undertaken by the company by whom I am employed.

I am always eager and willing to learn although I know there is no substitute for experience. I do however feel that granted the chance I could prove my potential and worth as a good, reliable and honest worker with integrity, as these are virtues in which I fervently believe in.

In closing, a principle I have adopted as my guideline towards being a complete individual and worker is looking upon every obstacle as a down payment towards my future success as I use them to strengthen myself, not weaken myself. So I feel that I will add value and also be an asset for your company with the current experience that I have gathered over the past nineteen years as an employee at Absa bank.
