Curriculum Vitae (CV)

What job i'm looking for? My positive points

Im currently looking for any kind of job but in the mining sector so that i can continue with my studies that i had no oppotunity of finishing due to financial problems, I was doing electrical engineering at tertuary at a collage called vuselela VET collage located at klerksdorp and i wish to continue studing ones i get a job at any mining sector. It would be a big privilage and oppotunity if you could offer me this a job. I want to help you by helping me become something in the country, trained and mentord by your company which would give back a good word of mouth about your company. I am a good listiner and willing to learn and try out new things.
