What job i'm looking for? My positive points

Good day.

My name is Valdo van der Vyver, I'm a 35 year old Male.

Throughout my journey of life I've found myself in different and exciting experiences. I started my professional career working in retail as a cashier in 2002 till I moved on to join the SAPS in 2004 as a Human Resources clerk where my skills developed even further. My next step was joining the Department of Education in 2008. The position I held was as an Accounting clerk and it grew my knowledge and skills in management. I then had to relocate and started to work for Engen where I was a general manager for a fueling and service station in 2015 to 2017. I move to Randburg in 2017 where I took up the position of property manager at the Bridge.

My skills and knowledge has grown throughout the course of my professional career, from retail to accounting and management positions gave me a new outlook on how to work with a team effectively.

I'm a hard working person with no concern to put in the extra effort and time to grow business and myself along the way.

Thank you for your consideration

Kind regards

Valdo van der Vyver
