What job i'm looking for? My positive points

I'm young and a determined hard worker. I can work well in teams or alone. I love working with my hands and don't mind getting dirty. I studied at Oval North High School, a technical school in the Cape Flats area. My subjects were English; Afrikaans; Mathematical Literacy; Engineering, Graphics and Design; Civil Engineering studies; Physical Science; and Life Orientation. I'm determined enough to go the extra mile to do what ever is required to get the job done, if necessary.
