

Mixo Mathebula

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking to work as lab technician or a plant operator as I studied for chemical engineering. I am a hard working young woman who is eager to enhance and refine my personal development within the organization, and take on the challenges that lie ahead. I relate very well with people and believe in team work. Given the opportunity, I will perform my duties with perseverance, dedication and loyalty.
