Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently registered for a Post Graduate Certificate for Education. I decided to do a teaching certificate because I love and enjoy working with children, as well as help direct children to make proper decisions for themselves though effective guidance. I have worked in the corporate world for the past two years post-studying and would love to work in a school or college. I am hardworking, trustworthy and try to manage my time effectively everyday. When work needs to be completed, I would make every effort to complete my tasks at hand. I am always able to be a team player and i will also work independently without any supervision.
