What job i'm looking for? My positive points

I'm looking for drivers job, I'm in a position of Code14 drivers license with pdp, 777 Dump Truck certificate, Matriculation and computer certificates.

I can work as an assistant driver on trucks, just to be near whenever there is a post showing up and I can apply for it, it'll be so much better if it finds me knowing the routine and the basics of the job on how it's done.

I'm a fast learner and I work well under pressure. I'm willing to grow within the company. I work well individually and as a team player.

I'm looking forward to hear from you.

Yours sincerely
