Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a general job,I did my matric but didn't pass it. So if there is a post in the general section that you can offer,I'll be happy to apply for it.

I'm outspoken,hard-working. I have good communication skills and I can talk 5 languages. And I'm able to work under pressure and even over time.

Having me as an employee won't be a downgrade but an upgrade to the company.
