

Boitumelo Tseke

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My objective is to acquire extensive professional knowledge and experience in the Industrial Engineering field and other work fields relevant to my career path. It is also to acquire skills to ensure growth in my career. Further more it is to associate myself with a company that recognises the importance of mentorship and personnel growth within the professional environment. It is in my best interest to learn and apply my skills to contribute to the goals and objectives of the organization I am employed in.
