Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for that has commitment to excellent , Cooperation ,support and empowerment. Am passionate about my job, am also hard worker honesty, intergrity. I am more comfortable in a relaxed environment than a conservative one, then a company with a corporate culture it might be a great fit for me, I like to work as team , am team member " having co-workers i get along with is a key part of being happy at my job. I also like to have an opportunity to learn , having a chance to learn new things is important in any position, but its espcially important during early stages of my career , for that reason finding an internship or full time jobs that allows me to learn as much as possible is key to development my career. I am looking for long-term opportunity but looking to gain experience as well. Feeling appreciated is an important part of my life,experience ,but its especially important in my working life.
