Curriculum Vitae (CV)

What job i'm looking for? My positive points

Good day

As you will notice I have several years in vast Office administration, Reception and other working experience.

I am a team player who always strives to do things right the first time.

Administration is what makes me tick, and I know I have what it takes to be a huge asset in your company, as I have been previously as well.

Given the opportunity I can master anything I put my mind too.

Regards
