Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job because I didn't work at any company and I'm always marketing but don't get anything. I have done diesel trade theory (N6) but no practical and it's been along looking for practical but nothing come up so that why I want any job because I don't get my dreams. It's better to get any job than to be at home crying and begging for everything. I'm really desperate for job
