Curriculum Vitae (CV)

What job i'm looking for? My positive points

The reasons that I am applying for this specific career is that I have Good communication skills, writing skills as I pay attention to detail and have an excellent grasp of grammar and experience of writing a range of content – from essays to presentations and briefings. My skills also include good research skills as I can apply myself and communicate accurately and authoritatively on a subject, I build my mindset in a broader aspect that can also help me to accommodate international clients and to be able to work with them. one skill I play on is the fact that I am very innovative and creative always creating new ideas and coming up with new things my mindset is broad as I aim high.
